Home	Graduate applicants	52	75
Home	Non-graduate applicants	52.5 for those with predicted A-levels	74
		All applicants who met the entry requirements at first sit and were in the top 5 UCAT deciles for those with achieved A-levels	75

Fee status	Graduate/non-graduate	Minimum score to be guaranteed to be invited to interview* (out of 64)	Minimum score needed to be made an offer (out of 105)\$
Overseas**	Graduate applicants	55	74
Overseas**	Non-graduate applicants	57.5 for those with predicted A-Levels	74
		All applicants who met the entry requirements at first sit and were in the top 3 UCAT deciles for those with achieved A-levels	74

Please note: graduate applicants were ranked separately from non-graduate applicants for invitation to interview purposes because of differences in the scoring system.

* The score listed is the lowest score required to be guaranteed to be invited to interview. There were some applicants who scored lower than this who were invited to interview. Those applicants were in a borderline group who had their application assessed in a tie-breaker situation. Please note: our scoring system can change every year, and as such, this score should in no way be deemed to be a minimum required every year to receive an invite to interview.

** There are only 18 places available for international fee status applicants.

\$ The score listed is the lowest score required to be guaranteed an offer. There were some applicants in a borderline group (see below) who scored lower than this who were made an offer.

Applicants who applied with **achieved A-Levels grades** who met the entry requirements and had a UCAT score in the top five deciles (for Home fee status) and top three deciles (for International fee status) were invited to interview.

Contextual data is used to provide equal opportunity to applicants from all backgrounds on our A100 course in the following ways.

Applicants who successfully complete a Realising Opportunities Programme (ROP) or a UKWPMED programme were automatically invited to interview providing they met all our minimum requirements and had a UCAT score in the top seven deciles. If successful at interview, these candidates may be made an adjusted offer at A-level.

Applicants who were in a borderline group pre or post-interview were assessed using the following contextual data:

- UCAT bursary flag
- POLAR 4 quintile 1 or 2
- Attended a non-selective state school for GCSEs which has an Attainment Score 8 below the national average for the 2018 cycle.
- Or Refugee status
- Or more than three months in local authority care,

as well as their whole UCAS application and UCAT result, including the SJT.

These contextual criteria will also be used for those in a borderline group post-interview, along with any interview comments.

Offers will be given in order of interview score and assessment of all aspects of the application, including the personal statement and reference.
