#### 10. Progression points:

In accordance with [Senate Regulation 5: Regulations governing undergraduate programmes of study](http://www2.le.ac.uk/offices/sas2/regulations/documents/senate/reg5-undergraduates.pdf), in cases where a student has failed to meet a requirement to progress he or she will be required to withdraw from the course.

For students on the Year Abroad programme in order to proceed to the fourth year of the course students must pass their year abroad. The year abroad does not otherwise count towards the final classification of the degree.

Students on the four-year variant of this degree programme must have no more than 30 credits of year two modules outstanding before entering their final year. A student who does not achieve the threshold level will normally be required to transfer to the three-year variant of this programme, but will be considered by a progression board on a case-by-case basis prior to entering the final year of their studies.

#### 11. Scheme of Assessment

This programme follows the University’s regulations governing undergraduate programmes: [http://www2.le.ac.uk/offices/sas2/regulations/documents/senate/reg5-undergraduates.pdf](http://www2.le.ac.uk/offices/sas2/regulations/documents/senate/reg5-undergraduates.pdf)

#### 12. Special features:

The possibility, after satisfactory completion of the first year, to transfer to Film Studies and English with a Year Abroad, a 4-year degree course which entails a year’s study at one of our sister departments (e.g. Rome, Pisa, Montpellier, Groningen and Berlin).

#### 13. Indications of programme quality

The contributing departments have both been rated ‘excellent’ in their teaching by the last subject-specific QAA inspection. In the 2014 REF both departments had 98% of their research judged to be of international excellence or significance.

The programme has received consistently positive reports from external examiners. In her 2015/16 report, our external examiner wrote that the ‘Film programme, which I had pleasure to assess for
four years, is well designed, offering a wide range of modules and a clear progression from the second to third year.
