10. Progression points

This programme follows the standard Scheme of Progression set out in [Senate Regulations](#) – see the version of Senate Regulation 5 governing undergraduate programmes relevant to the year of entry.

Students are required to complete 120 credits of taught modules delivered over two semesters each academic year (a total of 60 credits must be studied in each semester). Legal foundation modules must be passed at 40%.

Application to Transfer to LLB Law with Politics (with a Year Abroad)

Students may apply to transfer to the LLB with a Year Abroad after successful completion of the first year and subsequent successful completion of the second year

The application process is handled by the University's Study Abroad Unit and the process, including eligibility and criteria, is set out by the [Study Abroad Unit](#).

Progression from 2nd year to year abroad

Students need to achieve a credit-weighted average of 55% in the second year of their degree programme, and be carrying no failed modules, in order to progress to the year abroad. Students with mitigating circumstances may request that their circumstances be taken into consideration. The final determination should be made by the relevant Board of Examiners.

A Student will revert back to the without a year abroad variant of the programme if:

1. They pass less than 50% of the equivalent of 120 University of Leicester (UoL) credits.
2. They pass between 50 and 80% of the equivalent of 120 UoL credits and do not pass a resit.
3. The year abroad ends early due to the behaviour of the Student not being in accordance with the University's Regulations for Students, Student Responsibilities. The Student will need to suspend for the remainder of the academic year. To prevent such an incident from happening, processes are in place to identify any possible issues or concerns during the risk assessment process, and via monitoring checks during the year abroad. Communication and

contact between the Student, the host university and UoL will ensure support is provided should issues arise.

4. The student discontinues their year abroad. A student may return to their campus-based studies no later than the end of teaching week 2 at the start of the academic year should they decide to discontinue their year abroad, and should complete a Course Transfer Form. If a student discontinues their year abroad after the end of teaching week 2 at Leicester and before the end of their first semester abroad, they will be required to suspend their studies for the remainder of the academic year and transfer to the standard variant of their degree.

Where a student successfully completes the first semester of their year abroad, but discontinues their placement prior to completion of the full academic year for any reason, consideration may be given to the awarding of a 'with a semester abroad' degree programme, as set out below:

- If a Student completes the first semester of their year abroad and subsequently discontinues prior to the end of their second semester, they will be required to suspend their studies for the remainder of the academic year, but will be deemed to have met the requirements to transfer to a 'with a semester abroad' variant of their degree programme if they have passed the equivalent of 48 UoL credits.
- If the student has passed between 30 and 48 UoL credits, they may undertake resit opportunities offered by the host university where possible.
- If the student is not able to undertake resit assessments via their host university, fails resits, or passes fewer than the equivalent of 30 UoL credits, they will revert to the standard variant of their degree.

a) Course transfers

Students who have passed first or second year assessments of the LLB Law with Politics may, on giving notice in writing to the School not later than the beginning of the first semester of the next academic year, transfer to the second or final year of the LLB in Law, as the case may be.

Students transferring to the final year of the LLB in Law shall be credited with the 30 credits obtained in Politics modules in the second year and these credits will be attributed to the Part 1 Final Examination.

Students may apply to transfer to the LLB Law with Politics (with a Year Abroad) at the end of Year 1.

11. Criteria for award and classification
