Dear Prof Guy Rutty

Ref: UHL 09523

Title: Less Invasive Autopsy: A study to evaluate and compare the use of Computerized Axial Tomography and Magnetic Resonance Imaging with conventional autopsy.

Project Status: Project Approved

End Date: 01/01/2025

Thank you for submitting documentation for Substantial Amendment Number 8 for the above study.

I confirm that the amendment has the approval of the University Hospitals of Leicester NHS Trust R&D Department and may be implemented with immediate effect.

The documents received are as follows:

Document Name	Version	Date
REC Approval Letter	SA 8	15/05/2015
Notice of Substantial Amendment	SA 8	30/04/2015
Participant Information Sheet and Consent Form: Relatives	V8	April 2015
Protocol: Videoing of PMCT Procedures	V1	16/04/2015

Please be aware that any changes to these documents after approval may constitute an amendment. The process of approval for amendments MUST be followed. Failure to do so may invalidate the approval of the study at this trust.

Please ensure that all documentation and correspondence relating to this amendment are filed appropriately in the relevant site file.

Yours sincerely

Lisa Wann
R&D Team Leader
