Summary/Transcript:

Extract taken from 11m25s - 13m27s

I was a clicker I used to cut the shapes out I cut the/ we used to get the skin of patterns cardboard pattern metal pattern then you cut the shapes out then you bundled them up say they wanted ten pair of a si/ certain size you had to cut enough of those bundle them up and they went into a basket and then they went round to the machine room and the machinist made them/you know/start them on the/ get on their way

And the job that job that cutting out job was called clicking Clicking yeah

What other names did they have did they have other special names in there?

Riveting (...) and puller-offs [laughs] where they you know when the shoe was finished on the last they used to push them off he was a pusher-offer or a puller-offer

Pugger?

Puller-offer or a pusher-offer that was local thing cos you was on about I saw from your correspondence that you want/ you know were there were any local dialects well I've written you one down

What (...) You say it to me, cos I won't be able in any on ya ot yersens On yoursens (...) en any on ya ot yoursens (...) and that was a local market gardener he was driving his tractor with a few lads a few on the back you know la/ women and what not he stops sharp and the (...) of course he got a/ was a bit concerned (our/old) Ron he said/ he said en enny on ya ot yoursens have any of you hurt yourselves have any of you [laughs]

I'll take this with me so that I [laughter] and water was?

Water was waiter (...) well we got/ you know it was the local dialect it was broad Melbourne (...) or I nailed on a neel en ot mysen that was another one

Say it again

I nailed on a neel I nailed down on a neel and it hurt me
