

Sustainability in your course

What is sustainability?

Sustainability focuses on meeting the needs of the present without compromising the ability of future generations to meet their needs. The concept of sustainability is composed of three pillars: economic, environmental, and social. The University of Leicester incorporates sustainability into our courses through both core and optional modules.

Above: Highlighted [Sustainable Development Goals](#) (SDGs) available in your course

SDGs		9, 11	17	8, 9	8, 9	14, 15	9	4
Core	Optional	MA1257	MA1402	MA1407	MA2514	MA3061	MA3071	MA3511
