

# Sustainability in your course

## What is sustainability?

Sustainability focuses on meeting the needs of the present without compromising the ability of future generations to meet their needs. The concept of sustainability is composed of three pillars: economic, environmental, and social. The University of Leicester incorporates sustainability into our courses through both core and optional modules.

Above: Highlighted [Sustainable Development Goals](#) (SDGs) available in your course

SDGs		9, 10	9	9	4	3
Core	Optional	PA3241	PA3243	PA3244	PA3245	PA3601
<b>Physics Degrees</b>		Industry/Group Project	Electronics	Leon Launchpad Entrepreneurship	Physics in Education	Applied & Medical Physics
Physics BSc						
Physics MPhys						
Physics with Astrophysics BSc						
Physics with Astrophysics MPhys						
Physics with Space Science BSc						
Physics with Space Science MPhys						
Physics with Foundation Year BSc
