

CAN YOU HELP US?

by taking part in a study about

what parents of babies born at 34 to 38 weeks of pregnancy are told

WHO CAN TAKE PART?

Parents of children under 10 years of age who were born at 34-38 weeks of pregnancy

WHAT WOULD YOU NEED TO DO?

Fill in an anonymous online survey (*this will take about 20 minutes*)

WHAT WILL WE ASK?

- Were you told anything about babies born at 34-38 weeks?
- Were you told what to expect after your baby's birth?
- Was the information useful?
- Would you have liked to know more at any point?
- Tell us your thoughts
