

## Urgent Safety Measures Template

An Urgent Safety Measure (USM) is an action that the Sponsor and/or Investigator may take in order to protect the subjects of a trial against immediate hazard to their health and/or safety. Reporting of an USM must be undertaken in accordance with S-1029 UOL-Urgent Safety Measures for Studies sponsored by the University of Leicester.

The MHRA and REC must be notified immediately and in any event, within 3 days that such a measure has been taken and the reason why it has been taken. The initial notification to the MHRA and REC should be by telephone. A further notice in writing must be sent within 3 days.
