1. TERMS AND CONDITIONS OF AGREEMENT RELATING TO THE OFFER

- 1.1 The full terms and conditions of your agreement with the University regarding the Offer are contained in the regulations made by the University's Senate (Senate Regulations).
- 1.2 The Senate Regulations are located at <http://www2.le.ac.uk/offices/sas2/regulations> (as updated and amended from time to time)
- 1.3 The Senate Regulations contain important information about the terms applying to your place to study the Course at the University, including (but not limited to):
 - 1.3.1 Minimum entry qualifications and language requirements for taught programmes of study ([Senate Regulation 1](#));
 - 1.3.2 Admission and registration for taught programmes ([Senate Regulation 2](#)); and
 - 1.3.3 Fees ([Senate Regulation 3](#)).
- 1.4 You should read the Senate Regulations carefully prior to accepting a place at the University, as the Senate Regulations will govern the terms of your study. If you do not understand anything in the Senate Regulations, or if you have any questions about them or the terms of your study at the University, please contact the University at qualoffice@leicester.ac.uk
- 1.5 If you would like a paper copy of the Senate Regulations to be sent to you, please contact qualoffice@leicester.ac.uk
- 1.6 In addition, the University's [Student Information Privacy Notice](#) contains important information regarding the use of your data. This includes sharing your data with other sections of the University and also the Students' Union before you formally register, to enable the University to provide you with the best possible service before registration. Please read the policy carefully before accepting the offer. If you have any concerns or questions about the use of your data by the University, please contact Information Assurance Services at ias@le.ac.uk
- 1.7 The University is a registered (fee cap) provider with the Office for Students and has the right to issue its own degrees under UK law. However, University of Leicester qualifications may not always be recognised outside the UK. If you are intending to use your University of Leicester qualifications for employment purposes or further study outside the UK, it is very important that you ensure that the qualification will meet the relevant local requirements for your chosen career, employer or study goals before commencing your studies. The University is unable to guarantee that its qualifications will be recognised in all circumstances. For further information, distance learning students are advised to contact the appropriate [Distance Learning Hub](#) and students studying on campus should contact the International Office at intoffice@le.ac.uk
- 1.8 The University has a duty of care to safeguard students and staff who attend the University, as well as to support all students throughout their time of study at the University. Applicants who are successful in securing an offer from the University to study undergraduate and

postgraduate programmes are required to disclose any relevant, unspent criminal convictions they hold. Any such convictions that are declared will be processed in line with the University's policy for handling applications from applicants declaring criminal convictions. This policy can be found on our website at www.le.ac.uk/criminal-convictions-policy If it is later found that a relevant, unspent criminal conviction has not been disclosed or has been withheld by the applicant at the time of accepting their offer from the University, the University reserves the right to take steps to review the terms of the offer made, which may include withdrawing the offer of a place. If you do not wish to accept the University's offer of a place, then you do not need to make any disclosure of relevant, unspent criminal convictions.

- 5.2 The University can amend these terms and conditions including the Senate Regulations and vary your course of study for the following reasons:

- 5.6 The University will contact you as soon as possible and in any event will give you 25 days written notice before the relevant change is due to take place where it is taking action under clause 5.3.3. Where this occurs, we will also and in consultation with you, offer you an alternative course or programme (as appropriate) or the opportunity to cancel your contract with the University and obtain a refund of any advance payments that you have made for that year of study. In these circumstances, if the change takes place during your 2nd or 3rd years of study, the University will be entitled to retain its fees for your previous year or years of study, as appropriate.
