

# Accommodation Complaints Procedure

**We are committed to providing a high level of customer service. We work hard to ensure an excellent experience for all of our residents and are continuing to develop and improve our services. All feedback is extremely important to us.**

With the number of residents living with us, it is inevitable that from time to time maintenance issues, community issues and complaints will arise in our accommodation. To ensure we are able to respond to these issues as quickly as possible, please follow this procedure. This complaints and feedback process relates to all residential properties owned or managed by the University.

If you have a maintenance issue please make sure you have also submitted a maintenance form at [www.le.ac.uk/maintenanceform](https://www.le.ac.uk/maintenanceform). Details of the priority definitions are available with the form.

If you have a complaint, please let us know as soon as the issue or concern has occurred. If you do not register your complaint within 28 days of the issue occurring, your complaint may not be dealt with under this policy. To make sure your complaint is recorded please email [accommodation@le.ac.uk](mailto:accommodation@le.ac.uk).

If you require additional support during your time at university or stay in residences you can contact the University's Student Support Service. Details for all these services are available at <https://le.ac.uk/study/student-support>

## How to Complain

### 1. Informal Residential Complaints

The first step is to contact the Accommodation Team. Please find a member of our team in person at your site reception. If possible, we will always try to resolve the problem on the spot. If we have been unable to resolve your issue in person, please contact us by emailing [accommodation@le.ac.uk](mailto:accommodation@le.ac.uk)

You will receive acknowledgement of your complaint within 48 hours (excluding weekends, public holidays and University closure days). We will provide a resolution to your complaint within 10 working days or with an update on the progress of your complaint if additional information is required.

### 2. Formal residential complaints

Following informal resolution, should you feel your complaint requires further investigation, you may wish to submit a [Formal Complaint](#). Please be aware you will be expected to have made an attempt to resolve the matters you are concerned about informally, through the previous steps before submitting a formal complaint.

In order to submit a formal complaint you must complete the Complaints Form and return it to the ResLife Management Team.
