6. Accreditation of Prior Learning:

Accredited Prior Experiential Learning (APEL):

There shall be a standing Accredited Prior Experiential Learning agreement where the completion of

the 'Senior Course' at the NATO Defense College shall be accepted by the School of History, Politics and International Relations as APEL in place of *PL7591 Strategy in the Modern World* (worth 30 credits). The operation of this APEL agreement will be in line with the framework set out in the University's Senate Regulations governing admission and registration, and the Policy on the Accreditation of Prior Learning. This standing APEL agreement is applicable to the following distance learning programmes:

- PGCert, PGDip and MA International Relations and World Order
- PGCert, PGDip and MA International Security Studies
- PGCert, PGDip and MA Diplomatic Studies
- PGCert, PGDip and MA Human Rights and Global Ethics
- PGCert, PGDip and MA Politics of Conflict and Violence
- PGCert, PGDip and MA Security, Conflict and International Development.

Process for application of APEL

Applicants wishing to claim APEL will be required to submit evidence of completion of the Senior Course as well as a short portfolio of work. The format of the portfolio will be agreed between UoL and the NATO Defense College, Rome. This portfolio will be reviewed by UoL staff to confirm that it demonstrates that students have met the learning outcomes associated with PL7591. The University of Leicester requires students to have completed the Senior Course within the last five years in order to qualify for this APEL standing arrangement.

Subject to approval by UoL staff, applicants will be eligible to undertake a PGCert, PGDip or MA programme with UoL, consisting of:

- PG Certificate: NATO College Senior Course (accepted as Experiential Prior Learning on the completion of short portfolio submitted to UoL) + **one** core module offered by University of Leicester. This structure for the PG Certificate is only available to NATO applicants. In the event that the PG Cert is continued to PG Diploma or MA the student must complete the second core module.
- PG Diploma: NATO College Senior Course (accepted as Experiential Prior Learning on the completion of short portfolio submitted to UoL) + two core modules + one optional module offered by the University of Leicester.
- Masters: NATO College Senior Course (accepted as Experiential Prior Learning on the completion of short portfolio submitted to the UoL), two core modules, one optional module and dissertation offered by the University of Leicester.

Award and Classification

The credits awarded by UoL on the basis of the APEL will be ungraded. Degrees will be calculated on the basis of the credits achieved at the University of Leicester only. This will be undertaken on a pro-rata basis, in line with the Policy on the Accreditation of Prior Learning.

In the case of the PG Certificate the University of Leicester requires that students successfully pass one core module (offered by the UoL) in order to achieve the qualification.

Senior Course members must meet the language requirements set out in the School of History, Politics and International Relations admissions policy in order to be accepted onto their chosen degree. The requirements are set out in the Programme Specification for each programme.

Fee Reduction

Current or past Senior Course members will be offered a 10% discount on course fees, rising to 15% for 10 or more registered students per semester. Only applications **not** claiming APEL are eligible for this fee reduction.

Applications claiming APEL will have their fee reduced by the equivalent of 30 credits.

7. Programme aims:

The course provides a thorough grounding in human rights and global ethics, allowing students to explore a range of key political and international theories and concepts. It aims to critically examine the complex links between human rights theory and practice, including the role of values in world politics, and the practical, theoretical and ethical constraints on the achievement of human rights. The programme aims to critically examine the increasingly important relationship between human rights, power, and international politics and analyse the political contexts, uses, and misuses of human rights. Students will have the opportunity to engage with a range of pressing challenges for example, the ethics of intelligence, contemporary slavery, the limits of citizenship, animal rights, security, and war. They will be exposed to theory and analysis that is at the forefront of debates about how we should live, and about what rights people, groups and states can legitimately claim. The overall aim is to explore the ethical challenges for order, co-operation, participation, and human rights posed by the political realities of competing values, identities and interests, and of the vastly unequal distribution of power and other social, economic, and cultural resources.

Sustainability

Strengthening global peace, security and governance is at the heart of the UK's 2018 aid strategy and is the central focus of our distance learning MA programmes (see https://le.ac.uk/engagement/sdgs for details). Our courses directly contribute to Sustainability Development Goat (SDG) 16 *Peace, Justice and Strong Institutions.* A number of our MAs (particularly MA SCID) are designed for students who work or wish to work in the security, humanitarian or development sector thereby having a direct influence on practice. All our DL MAs support SDG 5 *Gender Equality* both through its engagement with academic debates about the role of gender in international politics, security, peace and development. I should also be noted that distance learning provides opportunities for women to access education, widening access to those who may be unable to travel for university education due to work or caring responsibilities. The programme also supports SDG 4 – *Quality Education* by providing access to academically rigorous and vocationally relevant education to anyone, anywhere in the world. Distance learning allows for capacity building without students having to leave their home countries.
