2. Awarding body or institution:

University of Leicester

3. a) Mode of study

Full-time and Part-time

b) Type of study

Distance learning

4. Registration periods:

For a full-time MA:

The normal period of registration is: 1 year The maximum period of registration is: 2 years

For a part-time MA:

The normal period of registration is: 2 years The maximum period of registration is: 4 years

For a PG Diploma: The normal period of registration is: 22 months The maximum period of registration is: 44 months

For a PG Certificate: The normal period of registration is: 12 months The maximum period of registration is: 24 months

5. Typical entry requirements:

Either a first or a good second class honours degree from a British university or its equivalent in Politics, History, International Relations or other related subjects. In certain cases, equivalent relevant professional experience will be considered.

Where English is not a candidate's first language, applicants will be required to provide evidence of

appropriate language skills, equivalent to IELTS 6.5

6. Accreditation of Prior Learning:

Accredited Prior Experiential Learning (APEL):

There shall be a standing Accredited Prior Experiential Learning agreement where the completion of the 'Senior Course' at the NATO Defense College shall be accepted by the School of History, Politics and International Relations as APEL in place of *PL7591 Strategy in the Modern World* (worth 30 credits). The operation of this APEL agreement will be in line with the framework set out in the University's Senate Regulations governing admission and registration, and the Policy on the Accreditation of Prior Learning. This standing APEL agreement is applicable to the following distance learning programmes:

- PGCert, PGDip and MA International Relations and World Order
- PGCert, PGDip and MA Human Rights and Global Ethics
- PGCert, PGDip and MA Politics of Conflict and Violence
- PGCert, PGDip and MA Security, Conflict and International Development.

Process for application of APEL

Applicants wishing to claim APEL will be required to submit evidence of completion of the Senior Course as well as a short portfolio of work. The format of the portfolio will be agreed between UoL and the NATO Defense College, Rome. This portfolio will be reviewed by UoL staff to confirm that it demonstrates that students have met the learning outcomes associated with PL7591. The University of Leicester requires students to have completed the Senior Course within the last five years in order to qualify for this APEL standing arrangement.

Subject to approval by UoL staff, applicants will be eligible to undertake a PGCert, PGDip or MA programme with UoL, consisting of:

• PG Certificate: NATO College Senior Course (accepted as Experiential Prior Learning on the completion of short portfolio submitted to UoL) + **one** core module offered by University of Leicester. *This structure for the PG Certificate is only available to NATO applicants. In the event that the PG Cert is continued to PG Diploma or MA the student must complete the second core module.*

• PG Diploma: NATO College Senior Course (accepted as Experiential Prior Learning on the completion of short portfolio submitted to UoL) + two core modules + one optional module offered by the University of Leicester.

• Masters: NATO College Senior Course (accepted as Experiential Prior Learning on the completion of short portfolio submitted to the UoL), two core modules, one optional module and dissertation offered by the University of Leicester.

Award and Classification

The credits awarded by UoL on the basis of the APEL will be ungraded. Degrees will be calculated on the basis of the credits achieved at the University of Leicester only. This will be undertaken on a pro-rata basis, in line with the Policy on the Accreditation of Prior Learning.

In the case of the PG Certificate the University of Leicester requires that students successfully pass one core module (offered by the UoL) in order to achieve the qualification.

Senior Course members must meet the language requirements set out in the School of History, Politics and International Relations admissions policy in order to be accepted onto their chosen degree. The requirements are set out in the Programme Specification for each programme.

Fee Reduction

Current or past Senior Course members will be offered a 10% discount on course fees, rising to 15% for 10 or more registered students per semester. Only applications **not** claiming APEL are eligible for this fee reduction.

Applications claiming APEL will have their fee reduced by the equivalent of 30 credits.

7. Programme aims:

The course provides a thorough grounding in human rights and global ethics, allowing students to explore a range of key political and international theories and concepts. It aims to critically examine the complex links between human rights theory and practice, including the role of values in world politics, and the practical, theoretical and ethical constraints on the achievement of human rights. The programme aims to critically examine the increasingly important relationship between human rights, power, and international politics and analyse the political contexts, uses, and misuses of human rights. Students will have the opportunity to engage with a range of pressing challenges - for example, the ethics of intelligence, contemporary slavery, the limits of citizenship, animal rights, security, and war. They will be exposed to theory and analysis that is at the forefront of debates about how we should live, and about what rights people, groups and states can legitimately claim. The overall aim is to explore the ethical challenges for order, co-operation, participation, and human rights posed by the political realities of competing values, identities and interests, and of the vastly unequal distribution of power and other social, economic, and cultural resources.

10. Special features:

The programme is designed to build on the university's Learning Innovation Strategy, and is subject to on-going collaborative development with the Leicester Learning Institute. The programme is based on a social constructivist learning model.

Students are expected to complete a dissertation that is in line with the award title.

11. Indications of programme quality:

- Considerable departmental experience in e-learning as a result of the development and success of our existing DL programmes;
- Presentations from current students and former students at national and international conferences;
- Regular progression of former students into academic posts and postdoctoral and research projects;
- Consistent, positive feedback from current and former students;
- Consistent positive feedback from external examiners.

12. Scheme of Assessment

Senate Regulation 6: Regulations governing taught postgraduate programmes of study applies

Students are only expected to complete the summative elements of the modules within this programme in order to pass.

13. Progression points

As defined in Senate Regulation 6: Regulations governing taught postgraduate programmes of study

In cases where a student has failed to meet a requirement to progress they will be required to withdraw from the course and a recommendation will be made to the Board of Examiners for an intermediate/exit award where appropriate.

For January starts ONLY:

The following additional progression requirements for this programme have been approved by the Curriculum and Quality Sub Committee in September 2022

• A Board of Examiners will meet at the end of module 3, once 90 credits have been completed, to determine progression to module 4 and the dissertation.

The Board of Examiners shall determine whether a student is permitted to progress to Module 4 and the dissertation:

- If a student has failed a maximum of 30 at the first attempt they are entitled to proceed to module 4 and the dissertation, taking any outstanding re-sits alongside.
- A student will not proceed to Module 4 if up to 60 credits have been failed. Students will be entitled to re-sit the failed modules. Students must pass both modules at resit before they can be progressed to Module 4;
- A student will not proceed to Module 4 if more than 60 credits have been failed. Students will be entitled to re-sit the failed modules in order to meet the requirements for an intermediate award.

14. Rules relating to re-sits or re-submissions:

As defined in Senate Regulation 6: Regulations governing taught postgraduate programmes of study

Sustainability

Strengthening global peace, security and governance is at the heart of the UK's 2018 aid strategy and is the central focus of our distance learning MA programmes (see https://le.ac.uk/engagement/sdgs for details). Our courses directly contribute to Sustainability Development Goat (SDG) 16 *Peace, Justice and Strong Institutions.* A number of our MAs (particularly MA SCID) are designed for students who work or wish to work in the security, humanitarian or development sector thereby having a direct influence on practice. All our DL MAs support SDG 5 *Gender Equality* both through its engagement with academic debates about the role of gender in international politics, security, peace and development. I should also be noted that distance learning provides opportunities for women to access education, widening access to those who may be unable to travel for university education due to work or caring responsibilities. The programme also supports SDG 4 – *Quality Education* by providing access to

academically rigorous and vocationally relevant education to anyone, anywhere in the world. Distance learning allows for capacity building without students having to leave their home countries.

16. External Examiners:

The details of the External Examiner(s) for this programme and the most recent External Examiners' reports can be found <u>here</u>.

Appendix 1: Programme structure (programme regulations)

For the award of MA, students must complete four 30 credit taught modules and a 12-15,000 word dissertation worth 60 credits. For the award of Postgraduate Diploma students must complete four 30 credit taught modules, and for the award of Postgraduate Certificate, two 30 credit taught modules.
