Intended Learning Outcomes	Teaching and Learning Methods	How Demonstrated?		
Outcomes	(b) Transferable skills			
	Research skills			
Certificate and Diploma Ability to locate, select and organise relevant evidence for essays; demonstrate an ability to produce logically structured, focused and clearly written essays and market research reports.	Certificate and Diploma Seminars, assignment feedback: formative and summative; directed reading, guided independent study. Workshops in use of marketing resources and information consultations with Library staff.	Certificate and Diploma Essay assignments (formative and summative), practical reports.  • MN7010, MN7016, MN7017		
Masters In addition to the above, plan research projects based on focused research questions, conduct significant background research and literature surveys, collect and analyse data which is relevant to research questions, report on findings demonstrating an ability to critique the data from competing viewpoints, construct an informed critical argument.	Masters In addition to the above: the extended project within Advanced Issues in Marketing supervision process and independent research.	Masters In addition to the above the extended project within Advanced Issues in Marketing module (MN7042)		
	Communication skills			
Certificate and Diploma Critically discuss relevant information in an essay format in response to written questions and case studies; write with clarity and precision; prepare short oral presentations in seminar groups and participating and moderating focus groups.	Certificate and Diploma Assignment feedback: formative and summative; guided independent study and seminars	Certificate and Diploma Written skills to be assessed using essay assignments and examinations. Oral skills to be assessed using formative assessment based on informal qualitative feedback on content and performance from lecturer and peers in small group seminars.		
Masters In addition to the above, produce an extended project within Advanced Issues in Marketing that islogically structured and written with clarity and precision.	Masters In addition to the above: the extended project within Advanced Issues in Marketing supervision process and independent research	Masters In addition to the above the research proposal and extended project within Advanced Issues in Marketing module		

ı

Intended Learning Outcomes	Teaching and Learning Methods	How Demonstrated?
	Data presentation	
Certificate and Diploma Ability to synthesise secondary research data into coherent and sustained written arguments, ability to respond to case studies through professional report.	Certificate and Diploma Assignment feedback: formative and summative; guided independent study	Certificate and Diploma Essay assignments (formative and summative), practical report, written examinations.  • MN7010, MN7016, MN7017
Masters Clearly arrange primary research data into thematic analysis and/or statistical data.	Masters In addition to the above: the extended project within Advanced Issues in Marketing supervision process, independent research, lectures and seminars designed to support the preparation of the project.	Masters In addition to the above the extended project within Advanced Issues in Marketing module
	Information technology	
Certificate and Diploma Ability to retrieve and present information using appropriate information technology, for example bibliographic software and subject specific databases. Ability to employ commercial marketing databases (e.g. GMID & Keynote ) to obtain and evaluate marketing information.	Certificate and Diploma Lectures in the induction module (Foundations of Knowledge); Introduction to SPSS (Marketing Research), Advanced Application of SPSS (Quantitative Marketing Intelligence), Blackboard Resources.	Essay assignments, and the extended project within Advanced Issues in Marketing module.  • MN7010, MN7016, MN7017
Masters In addition to the above to use, if necessary, data analysis software that is relevant to their extended project within Advanced Issues in Marketing(e.g. SPSS)	Masters In addition to the above: the extended project within Advanced Issues in Marketing supervision process, independent research, lectures and seminars designed to support the preparation of the project.	

Intended Learning Outcomes	Teaching and Learning Methods	How Demonstrated?	
Problem solving			
Certificate, Diploma and Masters Ability to identify, investigate, analyse, formulate and advocate solutions to problems. Ability to identify problems and opportunities faced by organisations using case studies. Analysis should lead to the proposal of sustainable actions that help resolve problems and to capitalise on latent opportunities.	Research methods classes and independent research, particularly that supported by the extended project within Advanced Issues in Marketing supervision.  Marketing case studies	Practical report, Essay assignments, independent research, particularly that leading to the extended project within Advanced Issues in Marketing module.  • MN7010, MN7016, MN7012, MN7017	
	Working relationships		
Certificate and Diploma Ability to work collaboratively as part of a team; ability to contribute and comment on ideas in learning groups.	Certificate and Diploma Participation in seminar activities such as moderating and participating in a focus groups; group problem solving through marketing case studies as well as preparation of short presentations.	Certificate and Diploma Formative assessment based on informal qualitative feedback on content and performance from teacher and peers.  • MN7010, MN7016, MN7017	
Masters Knowing how and when to draw on the knowledge and expertise of others.	Masters In addition to the above: the establishment of a working relationship with the supervisor of the extended project within Advanced Issues in Marketing (or the resolution of any problems through consultation with the Module Leader and the Programme Leader).	Masters In addition to the above, extended project within Advanced Issues in Marketing module.	

Intended Learning Outcomes	Teaching and Learning Methods	How Demonstrated?	
Managing learning			
Certificate and Diploma Management of an extensive literature and familiarisation with subject-relevant debates and concepts. To manage guided independent study to ensure the completion of assessment tasks and successfully manage the related study work-load.	Certificate and Diploma Lectures in Principles of Marketing (based on Foundations of Knowledge); seminars; guided independent study, self-reflection on assignment feedback; formative and summative.	Certificate and Diploma Essay Assignments; written examinations  MN7010, MN7016, MN7012, MN7017  Masters Extended project within Advanced Issues in Marketing within Advanced Issues in	
Masters In addition to the above: Identify a credible research project; construct a feasible research timetable; carry out independent research.	Masters In addition to the above: the extended project within Advanced Issues in Marketing supervision process.	Marketing module	
Contificate and Divisions	Carter management	Contificate and Dinlama	
Certificate and Diploma Ability to take charge of progress and development; to reflect on strengths and limitations, interests, motivation and skills; recognition of achievements.  Masters In addition to the above: if appropriate, to research an area which may be relevant to the student's career preferences	Certificate and Diploma Personal Tutor system; self-reflection on assignment feedback; guest lecture/s from alumni and marketing professionals, Continuing Professional Development opportunities Masters In addition to the above; the extended project within Advanced Issues in Marketing supervision process	Certificate and Diploma Personal Development Planning Masters Extended project within Advanced Issues in Marketing module	

#### 10. Special features

This programme is delivered through a blended learning mode of delivery which can be accessed either on campus or online. All taught content and autonomous independent learning activities can be accessed through on-line learning platforms, whilst seminar discussions and dialogic activity will be delivered either on-line through interactive synchronous learning opportunities or in person on campus. Students are able to switch between on-campus learning or on-line learning on a semester-by-semester basis.

# 11. Indicators of programme quality

Academic quality will be maintained by adhering to the School of Business' practice and University of Leicester's regulations. Programmes are carefully planned and reviewed internally on a yearly basis through the ADR mechanism. External examiners of programme content and marking will provide external validation and comparison to programmes offered by competitors. Coordination and alignment between the programme teaching team and professional services ensures a consistent and high-quality academic experience for the students.

# 12. Scheme of Assessment:

As defined in Senate Regulation 6: Regulations governing taught postgraduate programmes of study.

# 13. Progression points

As defined in <u>Senate Regulation 6:</u> Regulations governing taught postgraduate programmes of study.

In cases where a student has failed to meet a requirement to progress he or she will be required to withdraw from the course and a recommendation will be made to the Board of Examiners for an intermediate award where appropriate.

# 14. Rules relating to re-sits or re-submissions:

As defined in <u>Senate Regulation 6:</u> Regulations governing taught postgraduate programmes of study.

# 15. External Examiners reports

The details of the External Examiner(s) for this programme and the most recent External Examiners' reports for this programme can be found at <a href="mailto:exampapers@Leicester">exampapers@Leicester</a> [log-in required]
