#### 10. Progression points:

This programme will follow the standard progression rules, as set out by Senate Regulation 5: regulations governing undergraduate programmes of study:

http://www2.le.ac.uk/offices/sas2/regulations/documents/senatereg5-undergraduates

In cases where a student has failed to meet a requirement to progress he or she will be required to withdraw from the course

#### 11. Scheme of Assessment

The programme complies with the standard scheme of award and classification set out in <u>Senate</u> Regulation 5.

#### 12. Special features:

- The student learning experience is enhanced by a commitment to synergy between research and teaching.
- Students taking the programme have the option of a Year Abroad. The School participates in two exchange schemes: the first is based on a network of European universities (Erasmus scheme), the second involves links with Canadian and Australian Universities (Study Abroad Scheme).

#### 13. Indications of programme quality

The School of Archaeology & Ancient History's research is regularly classed as 'world-leading' or 'internationally excellent', placing us in the top half-dozen Ancient History and Archaeology departments in the UK. We deliver undergraduate and master's teaching to the highest standards with National Student Survey feedback indicating outstanding student satisfaction. The School of History, Politics and International Relations includes one of the largest groups of historians in the UK. It is rated excellent for teaching by TQA and its research is regularly classed as 'world-leading' and 'internationally excellent'.

Graduates of this degree programme take postgraduate taught courses and pursue research degrees at Leicester and many other universities. Many take Master's courses at Leicester or elsewhere; many have entered teaching or heritage careers; and many enter graduate employment soon after graduation.

#### **BA ANCIENT HISTORY AND HISTORY WITH A YEAR ABROAD**

The above four-year degree is also available. Students may only enter the four-year variant of the relevant three-year programme on the recommendation of the exchange programme coordinators and by transferring at the end of the first year. Transfer is conditional on successful completion of first-year modules. The programme structure is as for first, second and final year modules for the three-year programme (above). The third

year is spent abroad at an approved partner institution.'

#### FIRST, SECOND AND FOURTH YEAR MODULES

The regulations for first, second and final year modules are as for the three-year programme (above).

#### **THIRD YEAR MODULES**

<u>Year abroad spent in the European Union (Erasmus Programme)</u>: in this year students join an approved partner university in the European Union. An equivalent range of courses to 120 Leicester credits is approved and followed and assessed by the host department. This normally includes a language module. The programme is assessed as a Four Year Programme with a year out, with the year abroad treated as the 'year out'. The year out does not count towards the final classification, but a student must pass all modules taken during the year abroad to proceed to the final year of the programme. The second and fourth years are used in determining the degree class, according to the standard scheme for three-year programmes.

Year abroad spent in North America or Australia (Study Abroad Programme): in this year students join the partner university at Calgary (Canada) or Adelaide (Australia); an equivalent range of courses to 120 Leicester credits is approved and followed and assessed by the host department. The programme is assessed as a Four Year Programme with a year out, with the year abroad treated as the 'year out'. The year out does not count towards the final classification, but a student must pass all modules taken during the year abroad to proceed to the final year of the programme. The second and fourth years are used in determining the degree class, according to the standard scheme for three-year programmes.
