LAUNCH YOURSELF

OPEN DAYS 2019

SATURDAY 23 MARCH, 10am – 3pm
OPEN DAYS
WHERE IT ALL BEGINS

We could tell you how great Leicester is, but to really experience what it’s like, you need to see it for yourself.

Our Open Days are an opportunity to discover more. To meet students who’ve been in your shoes, hear from staff teaching your subject, ask those burning questions you might have and get a feel for what campus life is like.

Whether you are an A-level student considering the direction of your future career, or already holding an offer to study with us, we want to show you how Leicester fits into the equation.
WHAT WE’VE GOT PLANNED

Check-in
This is your first step. Head over to Mission Control in the Charles Wilson Building or if you’re here for Medicine, go to the George Davies Centre. Check-in to get your goody bag and lunch voucher. Visit Mission Control at any time to chat with staff and students about subjects, accommodation, sport or anything to do with university life. Don’t forget to grab a hot drink.

Meet an Academic
Find your subject in Mission Control and discover our courses, research and meet the academics who will teach you.

Help Zone
Drop in to our Help Zone in the Charles Wilson Building. Friendly staff and students will be available throughout the day to answer your questions and offer advice on admissions, living at home whilst studying, student finance, accessibility and student support.

Subject Talks
From English to Engineering, Chemistry to Law, these talks are how you’ll discover more about the subject you want to study at Leicester.

Taster Lectures
What are lectures like at Leicester? Sit in on one and find out for yourself. From seventy years of the Windrush story to how the Solar System is formed, chances are you’ll learn something new.

General Talks
These cover accommodation, employability, student finance and opportunities to study abroad. If you’ve got questions, be sure to ask us. The Welcome to the University of Leicester talk is a great way to start your day.

Campus Tours
It’s important to feel comfortable where you’re studying, not just with what you’re studying. Get a feel for the campus with one of our Student Ambassadors – they’ll show you around our campus, library, sports facilities and more.

Accommodation
New neighbours and new friends. Some of your best memories will be made while living in uni accommodation. To give you an idea of what we’re talking about, we’ll shuttle you over to Oadby Student Village student accommodation for a visit.

OUR STUDENT AMBASSADORS
Hard to miss in their distinctive red tops, our Ambassadors are here to show you the ropes, make you feel at home and answer any questions you might have (even why they chose to study at Leicester).

GET THE MOST OUT OF YOUR DAY

There’s so much to see and do on our Open Days. To make the most of your time here, we suggest coming in with a plan of attack. Here are a few tips:

Plan your day beforehand – use this programme or download the Leicester Open Day app to create your own schedule.

Use the campus map on page 8 to find buildings you need to visit.

Factor in time to see the first hall of residence and Oadby Student Village.

Take a break and have a delicious lunch.

Head to the David Wilson Library to discover our Special Collections, campus redevelopment plans in the Digital Reading Room.

Take some photos to remind yourself of your visit.

Come prepared with a list of questions.

Whether you want to live in our student village, or find a spot closer to the city, we can help set you up with a situation that suits.

Our halls
As far as student life goes, living in residence is hard to beat. With more than 4,000 new neighbours to meet, there’s a real sense of community to look forward to. Plus, there’s always something fun and social happening to get involved with.

We have a range of rooms to suit all budgets. Wherever you end up, you’ll find dedicated study rooms nearby, high speed Wi-Fi and 24-hour reception.

It’s the best of both worlds. Our self-catered City Living properties are just 10 minutes to campus, a short bus ride to the city, and only a walk away from our sports facilities and David Wilson Library.

STUDENT ACCOMMODATION: OADBY STUDENT VILLAGE

With its own bar, food court, Village Hub, botanic garden, study spaces and range of lodgings, it’s not surprising Oadby Student Village is such a popular choice for first years. All just a short bus ride from campus.
With Oadby Student Village and City Living, your choices are:

- Twin Room

- Single Bedroom with Washbasin (adapted available)

MEAL PLAN

Not much of a cook? Or perhaps you want more flexibility and time to enjoy student life? Our Meal Plan can help you out.

The Meal Plan is included in the rent for some of our accommodation and you’ll receive your allowance at the start of each term. You can use our app to pay for food, keep track of your spendings, view your loyalty points and check the latest offers.

Here are some other benefits of the meal plan:

- Takes the stress out of weekly food shopping and preparing meals after a long day
- Gives you a chance to share meals with friends (and make new ones)
- Our award-winning chefs make delicious food in a range of cuisines
- You’ll have vegetarian and gluten-free options
- You’re in control of your finances – your money will rollover to the next term and year
- Rooms with the meal plan have access to kitchens with cupboard space and microwaves – so you can still prepare simple meals if you want to
By train
Our campus is less than a mile away from Leicester Station. Student Ambassadors will be at the station between 8.30am and 1.00pm to show you the way.

If you need disabled parking, please get in touch with us at study@le.ac.uk.

By car
You’ll find parking at Leicester Racecourse (LE2 4AL) – open 8.30am – 4.00pm – just a couple of miles south of the main campus. We will be there to show you where the shuttle buses run to campus throughout the day.

For the love of sport
This city loves sport. We’ve got the Leicester Tigers rugby club, the Leicester Riders basketball club and, of course, Leicester City FC – Premier League champs in 2016. Whether you’re into sport or not, cheering from the sidelines is an experience not to miss.

Food and drink
Like a true student city, Leicester has plenty of trendy cafes, restaurants, bars, pubs and dessert parlours. You’ll also find some high-street staples and old favourites.

A place to let go
Leicester has a great music and festival scene. In fact, our Students’ Union is the only one in the country to host an O2 Academy – bringing in top artists from the UK and around the world. And just down the road is De Montfort Hall, one of Leicester’s most popular entertainment venues.

Shopping for days
Leicester has the big brands, local favourites, boutiques and specialty stores – all just a short walk from campus.

For the history and culture buffs
Leicester is packed with fascinating museums and art galleries. Our very own Attenborough Arts Centre on campus is a great place to see contemporary art, theatre, comedy, dance and music. New Walk Museum isn’t too far away either, and houses everything from dinosaur fossils to Egyptian mummies. At the Richard III Visitor Centre, you can learn about how our archaeologists discovered the King’s remains in a Leicester car park.
Search for the Leicester Open Day app in the App Store or Google Play.

Get registered to build a schedule for your day, access a map of campus and receive notifications from us.
